CANDIDATE INFORMATION PACKET

**Prepared by Laura Hogan
Town Clerk, CMC**

To Town of Monument Board of Trustee Candidates:

The enclosed materials have been prepared by the Town of Monument Clerk's Office for use in the Town of Monument Regular Municipal Election to be conducted on **Tuesday, April 3rd, 2018**. Included is a summary of the basic requirements associated with the election, a listing of critical election dates, and all forms required for participation in the election.

The Town of Monument's Regular Municipal Election will be conducted as a Mail Ballot Election. The designated polling place will be Monument Town Hall located at 645 Beacon Lite Road, with voting hours from 7:00 a.m. to 7:00 p.m. The ballot will ask voters to consider candidates for three Trustee positions and one Mayor.

Valid signatures on nomination petitions can be collected beginning **Tuesday, January 2, 2018**. Any signatures collected prior to this date are not valid. A minimum of ten signatures from registered voters residing within the Town limits is required to establish candidacy. Completed nomination petitions, along with signed and notarized Affidavit of Circulator and Acceptance of Nomination forms are due back to the clerk's office no later than **Monday, January 22, 2018 at 5:00 pm**.

Each candidate will receive a letter indicating the status of his/her petition's sufficiency. If a petition is not sufficient, additional signatures may be collected on an additional nomination petition packet and filed with the clerk before close of business on **Monday, January 29, 2018**.

A drawing by lot will be held in the Town Hall Board Room at **10 am on Wednesday, January 31, 2018** (I will contact each candidate individually should this date and time change). The drawing will determine the order candidates will be listed on the official ballot. It is **not** mandatory that either the candidate or a representative appointed by the candidate be present for the drawing.

If a candidate chooses to utilize any contributions for campaigning purposes, the candidate needs to comply with the Fair Campaign Practices Act reporting requirements which stipulate that the necessary forms be filed. Candidate, issue, and political committees are required to file regularly scheduled reports of all contributions/loans received and expenditures made regarding any campaign and/or ballot issue or ballot question.

If you have questions or need additional information, please do not hesitate to contact me at 719-884-8035 (Direct) or email: lhogan@tomgov.org. I wish you all the best in your campaign!

Sincerely,

Laura Hogan
Town Clerk, CMC

ARE YOU CONSIDERING RUNNING FOR OFFICE?

This article provides general information about life as an elected official in the Town of Monument. It is based in part on legal requirements outlining the duties and responsibilities of the Town's elected officials, but is more heavily based on the real-life experiences of elected officials that have lived the role. It provides points for consideration as you decide whether to pursue election. Other materials you will receive in your petition packet contain facts about how to run, what your candidacy obligations are, and how the election will be run. This article, on the other hand, addresses the initial questions you may have before deciding whether to take the next step.

GOVERNMENTAL STRUCTURE

The Town of Monument is a Statutory Town and therefore complies with State Statutes and the Town of Monument Municipal Code.

BOARD OF TRUSTEES

The Town of Monument's governing body consists of six elected Trustees and an elected Mayor, collectively the Board of Trustees. The Mayor has the same obligations as each of the Trustees, plus some additional duties as the ceremonial head of the Town and others required by the Town of Monument's Municipal Code. At the first meeting, following biennial election, the Board shall appoint one of the Trustees as Mayor Pro Tem who, in the absence of the Mayor (or the Mayor's inability to act) shall perform the duties of Mayor. The Board of Trustee offices are non-partisan. Town elections are designed so that the terms of office are staggered. Therefore, in 2018, the office of the Mayor and three Trustee positions are open for election. All offices of the Board of Trustees for the Town of Monument are volunteer positions.

REASONS TO RUN

People choose to serve their cities and towns as elected officials for various reasons. Regardless of the motive, if you are contemplating serving your community as a member of the Board of Trustees, you should be prepared for the demands, expectations, and rewards that accompany the role. Although the basic requirements for serving require only that you reside in the Town of Monument, attend the scheduled meetings of the Board, and participate as you desire in policy making, the Town of Monument has a proud tradition of active and involved elected officials who largely exceed the minimum requirements.

As an elected official in Monument, you will have a say in important matters such as how the Town grows, what the street system will be like in the future, where and how development takes place, what Town services will be provided, and how the Town's annual budget will be allocated. It is a responsibility best met with energy, enthusiasm, and conscientiousness.

The Board of Trustees sets public policy, and sound policy decisions are the result of hard work. For this reason, elected officials are encouraged, but not legally required, to conduct work outside of the regular meetings. Our dedicated Board of Trustees volunteer their time reviewing meeting materials; educating themselves about the public policy issues; interacting with constituents and other elected officials; educating and informing constituents; attending meetings with other agencies and governments; serving on appointed committees; and acting as liaisons with staff and other agencies.

YOU'VE GOT SUPPORT

Recalling the old adage that “no good deed goes unpunished”, it can at times seem like all you ever hear from are aggrieved citizens. Happily (and hopefully just when you need it), you will see the benefits of a Board decision play out for the good of the community or you will occasionally get a much needed thank-you. You will share the joys with others with a deep concern for the Town and its citizens. Sometimes you won't agree with all of them, but you will be expected to disagree with professionalism and respect. All board members have different backgrounds and strengths, but knowing you share a common goal will create a united board.

TIME COMMITMENTS

Your experience as an elected official is dependent on your commitment. Attendance at Regular and Special meetings is required, except for excused absences. The rest of the commitments listed are obligations that Board members in the Town have traditionally accepted.

Regular and Special meetings:

The Board of Trustees regularly meets on the first and third Mondays of each month. Meetings begin at 6:30 pm and conclude when the agenda items have been discussed. When a meeting falls on a holiday, the meeting is rescheduled to Tuesday. Infrequently, additional meetings are scheduled when the urgency of business requires.

In advance of board meetings, packets of meeting materials are sent via town e-mail to board members midway through the preceding week. Review of the packet can take several hours, and board members are requested to send any questions raised by such materials to appropriate Town staff by Monday morning to allow time for questions to be addressed before or at the Monday evening meeting. Agendas and board packets can also be found on the Town of Monument website at www.townofmonument.org

Training:

Newly elected officials are required to attend training sessions with town staff and the town attorney to become familiar with a variety of important subjects related to their service. These trainings can last several days, and are often scheduled in the evenings or on the weekends in April following the election.

Committee Participation:

The town has internal advisory committees to research and provide guidance to the board on setting public policy. In addition, there are special districts and other governmental and quasi-governmental authorities that provide important public services to the Town's citizens. Board members volunteer for these committees or organizations to act as liaisons for the town. Time commitment will vary, and meetings could be held during the day or evenings.

From time to time, the Town convenes ad hoc committees to review proposals for services contracts, interview candidates for appointments to boards and commissions, or consider special issues that come before the Town. Each board member is asked to volunteer some of their time to one or more of these committees.

Individual Constituent Interaction:

Constituents expect board members to be available to communicate via e-mail and phone calls about their concerns and to be diligent and consistent in their follow up.

Miscellaneous Time Commitments:

Beyond the duties listed above, board members are often asked to be present at ribbon cuttings, local ceremonies, community events, and important town traditions.

CAN YOU MAKE IT WORK?

Now that you understand the legal and traditional time commitments of elected officials, prospective candidates should evaluate their professional and personal responsibilities and determine:

- ✓ Will your job/schedule allow the flexibility to be at Town Hall by 6:30 pm on the 1st and 3rd Monday of each month (or occasional Tuesdays) and any special meetings called?
- ✓ Will your professional and personal life allow for attending occasional weekend or evening workshops?
- ✓ Will you be able to commit to the occasional working or focus group meetings, which are sometimes held during afternoon or evening hours?
- ✓ Are you organized in a manner which will allow you to interact with your constituents while still allowing you uninterrupted personal and/or professional time? (These constituent interactions can include emails, phone calls, meeting residents for coffee, attending occasional HOA meetings or special meetings called by residents.)
- ✓ Are you willing and able to occasionally serve on Town-formed ad hoc committees?
- ✓ Do you have an interest in attending various community events?
- ✓ Do you have time late in the week and over the weekend to review the packets?

MAKE AN INFORMED DECISION

If you decide to run for office, you will learn about the town, policies, your neighbors, effective political exchange of ideas, time management, and being a public figure. Past town elected officials have felt their role is rewarding and important. The decision to run for an elected position should be made after careful consideration of your situation and ability to commit. However, many of the town's elected officials have chosen to run for a second term and recall the experience as rewarding and fulfilling.

Deadlines for filing FCPA forms with the Town Clerk:

<u>Deadline</u>	<u>Form</u>

March 30, 2018	Second Campaign Report due
May 3, 2018	Third/Post Campaign Report due

STANDALONE CANDIDATES (CANDIDATES WITHOUT COMMITTEES)

Standalone candidates are candidates without a candidate committee. You do not need a candidate committee if you will not solicit or accept contributions during your candidacy or if you will only spend your own money. You must have a committee if you will accept money or other types of contributions from any other person/entity. Standalone candidates must report all expenditures to the clerk. Standalone candidates must itemize all expenditures of \$20 or more (either one-time expenditures or expenditures greater than \$20 in aggregate during a reporting period). Itemized expenditures must list the name and address of the payee and the purpose of the expense. The law does not require standalone candidates who do not make expenditures to file disclosure reports, but candidates may file a zero report if they choose. Standalone candidates are no longer considered candidates upon losing the election. These individuals do not need to take affirmative action to end their candidacy and do not need to file disclosure reports. Candidates wishing to exit the race prior to the election must submit a written withdrawal and must file disclosure reports for any reporting periods in which they made expenditures until submitting such a withdrawal or until the election occurs.

CANDIDATE COMMITTEES

A candidate committee accepts contributions and makes expenditures under the authority of the candidate. A candidate committee includes the candidate. The law does not require the committee to have additional members. A candidate can only have one active candidate committee. When considering running for office, you, your registered agent, fundraisers, and campaign manager should become familiar with the requirements of Article XXVIII of the Colorado Constitution, Title 1, Article 45, C.R.S., and the Rules Concerning Campaign and Political Finance.

Under the Colorado Constitution, a person becomes a candidate when he or she publicly announces an intent to run for office and receives a contribution or makes an expenditure in support of their candidacy. The Secretary of State recommends registering a candidate committee with the appropriate filing office (the clerk) before accepting contributions or making expenditures. You will need a committee name (including the name of the candidate, such as “Jane Doe for Trustee”), physical, mailing, and e-mail addresses, and financial information including the name of the bank where the committee has or will have an account. You also need to designate a registered agent who will act as the committee’s representative. The candidate can serve as the registered agent or may designate another natural person to serve as registered agent.

Candidates remain candidates for office as long as they have an open candidate committee and must file all assigned disclosure reports. Candidates may terminate their committee by filing a termination report that reflects a zero balance. **The clerk’s office will impose penalties of \$50 per day, including weekends and holidays, for reports filed after the due date, even if your committee has no activity during the reporting period.** Committees with loans or outstanding debt, including late filing penalties, may not terminate until the loan or debt has been paid and the committee has reached a zero balance. Inactive candidate committees must terminate after nine years. Inactive candidates are candidates that do not seek access to the ballot in an upcoming election.
