

# Town of Monument SPECIAL EVENT APPLICATION PACKET

Dear Event Planner,

Welcome to Monument! We are excited you have chosen Monument for your special event. A special event permit is required if your event meets any of the criteria below:

1. The event requires a street closure, or significantly interrupts the flow of traffic in public rights-of-way, or access to private commercial property.
2. The event is estimated to have 100 or more people in attendance and is to take place in a public park or at Monument Lake.
3. The event is an outdoor event that includes the sale or consumption of alcoholic beverages to or by the public.  
(A special event liquor permit is also required for this purpose)

To make the event application experience as smooth and efficient as possible, we have created this packet of information to help you plan your event and understand the requirements associated with hosting a special event in the Town of Monument.

The Communications and Events Specialist will act as your single point of contact and can answer questions you may have about conducting a special event in our community. The success of your event relies upon your event planner providing us with complete and detailed information. Our role is not to plan your event, but to help you with the process, approve required permits and applications, and help mitigate potential problems.

The Town of Monument requires your completed event application to be submitted to the Town within the timeframes outlined below:

1. 30 days prior to the event for events with estimated attendance of under 1,000 people.
2. 45 days prior to the event for events with an associated request for a Special Event Liquor Permit.
3. 120 days prior to the event for events with estimated attendance of over 1,000 people.

**Events with estimated attendance of over 1,000 people will require approval from the Board of Trustees.**

The following packet will help you plan for your event accordingly. You only need to submit the forms applicable to your event. We encourage you to utilize the planning checklist to help you determine which forms you need to fill out and submit with your application. Once you have completed the appropriate applications and forms, submit them with applicable fees to Town Hall at 645 Beacon Lite Road or email Shannon Bryant at [sbryant@tomgov.org](mailto:sbryant@tomgov.org). The Town of Monument will conduct a review process upon receipt of the application and will contact you when your application has been completely processed by the appropriate departments, or if additional information or plan modification is required.

Once your application has been approved, you will receive a Special Event Permit from the Town. You will need to have the permit with you at the event as proof of authorization.

It is our goal to provide an efficient process for reviewing and approving your event. We look forward to working with you to obtain approval for your event and thank you for choosing the Town of Monument as your preferred location.

Regards,

**SIGNATURE**

As an applicant requesting a temporary street closure, I certify that I have read and understand all of the conditions and procedures that are required in order to obtain permission and I agree to comply with each of those conditions and procedures. I agree to indemnify and hold harmless the Town of Monument, and all Town of Monument officers, employees, agents and representatives, from any claims, liability, court awards, or damages, including the costs of defending such claims, and including costs and attorney's fees that are or may be awarded as a result of any loss, injury or damage sustained or claimed to have been sustained by anyone, including but not limited to any person, firm, partnership, or corporation that may arise from the occurrence of the temporary street closure or from any event related to the temporary street closure.

I understand that a Special Event permit does not authorize violation of Town or State laws, except to the limited extent that it allows a street to be temporarily closed in conformity with permit conditions. I also understand that a temporary street closure does not excuse failure to comply with orders of law enforcement personnel, firefighters or other emergency workers, and that it does not provide immunity from civil claims of third parties that are based upon damages occurring at, or in conjunction with, a temporary street closure or from related events.

I affirm, under penalty of per jury, that the statements and representations made in connection with this application are true to the best of my knowledge. I have read, understand and agree to the temporary street closure requirements.
